FIRST AID WORKSHOP FOR PARENTS OF CHILDREN UNDER 10 YEARS OLD

Welcome to the Parentmedic movement – empowering and educating parents in baby and child first aid and safety.

The Northern Centre invites you to a parent workshop delivered by Parentmedic Ambassador, Claudia Tong.

The session provides information on children's health, first aid and safety in a warm and friendly environment. Our aim is for you to feel more confident and prepared to handle common childhood health issues, and know what to do in case of an emergency.

All Parentmedic Ambassadors have completed specialised education with The Parentmedic Movement to ensure they are up to date with current recommendations and first aid regulations.

You will learn:

- Baby + Child CPR
- Safe Eating + First Aid for Choking
- Head Injuries
- Allergies + Anaphylaxis
- Fevers + Temperature Management
- AND MORE!

WHEN: Monday 7 May 2018
9:30am to 12:00pm

COST: \$10.00 per person (non-refundable)

WHERE: The Northern Centre
Ground floor, 3-5 Anthony Road, West Ryde
