Tantrums: why they happen and how to respond best

Tantrums are very common in **children aged 1-3 years**. This is because children's social and emotional skills are only just starting to develop at this age.

Hello families! It was a hard decision for us to make to stop our weekly Mini Maxi sessions due to the Corona Virus, as we know how much you love coming. All of our face to face services are cancelled until further notice. But, I will be sending out our weekly newsletter and giving you a call each week- I will be in touch to book a time that suits you.

Regards, Robwyn
