**Did you know?**

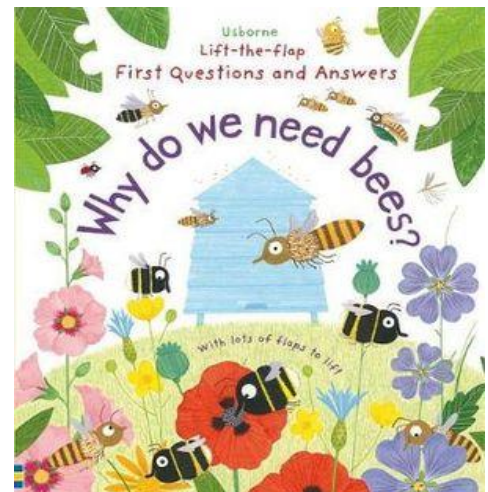

Providing quality intervention early in your child’s life reduces the possible need for longer term intervention and will support them over time to lead an ordinary life. If you’re concerned about your child’s developmental delay including language delay, you can contact the local Early Childhood Early Intervention service for an assessment. To find out more, call **1300 888 378** or visit their [website](#).

**Speech & Language Delay**

Spot The Signs!

**Have you read**

A busy, interactive reference book introducing children to the fascinating world of bees. See if you can find it at your local library!
