

Circle of Security Parenting Workshop (abridged)

Dates: 25 May, 1 and 22 June 2020 via ZOOM

Name: _____

Due to COVID19, we were unable to deliver the full 8 week Circle of Security Program, and hope that the three sessions have given you a general understanding of the framework and answered some of your parenting questions. So we can develop our online programs further, we are keen to hear about your experience.

Please circle your preferred response.

Registering for this program and subsequent communication about the program delivery details was well organised
