# parenting program & playgroup overview

## 123 Magic English

3-week program for parents/carers of 2 to 12 year olds

Helps teach parents how to deal with their children's difficult behaviour by using an easy-to-learn and easy-to-use signalling system to manage children's difficult behaviour. The signalling system requires the parent to use less talk and less emotion, which in turn encourages the development of children's ability to manage their emotional reactions to parental boundaries

*Limited childcare places available*
